
Candidate for Vice-Chairperson

Manifesto & abbreviated Curriculum Vitae

JACO COETZEE
2 Norman Street
Silver Lakes Golf Estate

MANIFESTO

I believe in commitment and perseverance to achieve one's goals. I also believe that one should seek advice when needed and to have an independent mind-set but be open and accepting of other's ideas and comments which can contribute meaningfully to achieve common goals.

Instead of criticising from the side-lines, these principles are ones that will help me to succeed in my capacity as vice –chairman and a member of the SLHOA board of directors should my nomination be accepted by the members.

I commit that decisions taken will communicate and promote the interests of all members collectively and in accordance with the Memorandum of Incorporation and the Rules of the Estate.

I will persevere in ensuring through the setting of standards and the efforts of management and proper communication that the security and upkeep of the Silver Lakes Golf and Country Estate and its facilities are in accordance with the expectations of the members and my own. To that end I will apply all my experience to achieve, in conjunction with the directors and management, those expectations.

PERSONAL PROFILE

Silver Lakes Golf and Country Estate resident since 1998.

Currently part time hospitality and entertainment industry consultant and residential property developer with over 30 years' hands on senior managerial experience in the 5 star hospitality and entertainment industry.

Accomplished hands-on manager and have proven organisational, operational and human capital management and implementation experience, skills and leadership ability across the majority of hospitality facilities and residential estate management and specific in gaming related disciplines and resort hotel and food and beverage operations.

KEY ACHIEVEMENTS

- Senior Manager and Executive Director and Sun International Management Limited Board Member.
- CEO of Silver Lakes Home Owners Association in South Africa, who successfully initiated and significantly progressed improved restaurant and golfers facilities, conferencing, landscaping and maintenance services resulting in increased member and resident satisfaction and material cost savings.
- Project Manager for Bingo Vision (Pty) Ltd and as senior manager single-handedly completed and operated a casino and restaurant in Kuruman, Northern Cape Province.
- Member of the Sun International Management Limited Risk Committee.
- Executive management team member responsible for the successful operational and financial management of Sun City Resort.
- Senior member of Sun International Management Limited project team bringing to operation 14 casino projects incorporating 4 star plus hotel projects in Southern Africa, Nigeria and Chile.
- Incumbent responsibility for structural and operational changes in Sun International Group and Bingo Vision, resulting overall in increased revenues and costs savings in hospitality, gaming, security, landscaping and golf course facilities.
- Across companies successfully implemented the operational installation and cost effective supply of multi-million rand CCTV device and system equipment resulting in significant savings.
- Successfully evaluated and contracted security service providers and implemented pro-active security systems across companies customised for the protection customers and assets.
