

NEWS FROM THE MATURE GOLFERS - PLAYING AT SILVER LAKES

We had an extremely successful and enjoyable annual golf day on 19 November 2015. Thank you to the Silver Lakes Golf Course for hosting this wonderful event for the 8th time.

A special thanks to all our wonderful and generous sponsors who are listed below. Also, thank you to all those golfers, both ladies and gentlemen, who shared the golf day with the Mature Golfers. We had a field of 108 players and half the field went home with prizes.

Congratulations to all the winners with a special mention to Johan Grobbelaar who won the first prize for the day with 36 stableford points. The ladies winner was Kriek Grundling on 34 points.

Prizes were also handed out to those Mature Golfers who won the various competitions held during the year. Of particular note was our singles knockout champion for the year, namely Lodewyk de Wet.

The Mature Golfers also donated a portion of their takings from the day to the Kungwini Home for the Disabled.

The Mature Golfers are planning some exciting events during 2016 so to all those aspiring golfers please join this sociable group for an unforgettable golfing experience. There is no membership fee and green fees are too low to mention.

Please note that the Mature Golfers play every Thursday morning at Silver Lakes and all senior male golfers over the age of 55 are welcome to join the group at 06:45 for the draw (tee-off at 07:00) - just phone the Pro Shop (012 809 0430) early in the week should you want to play.

The Mature Golfers are looking forward to another great golfing year.

Regards

THEO O'NEIL
CAPTAIN OF THE MATURE GOLFERS
